Course Overview

This course introduces students to the novel as a literary form and explores its development in historical context. Students will read selected novels, and selected essays on the history of the novel and its influence on global cultures.

Course Goals

- ✧ Students will learn about the historical and formal development of the novel.
- ✧ Students will read selected novels from key eras in its development.
- ✧ Students will practice strategies for reading and interpreting novels.
- ✧ Students will write about the novels they read.
