No particular textbook is required for the course. However, students should access trade information provided on the website of Australian Consulate with trade information of Asian countries for fundamental understanding and reference.</p>		
Prerequisite	N/A		

Course Overview

The course is designed to provide students with some of the essential conceptual and analytical tools for understanding Asian – Australian trade issues. The course serves as an introduction to Asia relations with Australia which will be of interest to a wide range of students, especially those whose future jobs might be related to Australia or to the Asia Pacific region. The first part of the course examines selected thematic issues such as trade, foreign direct investment, foreign aid and globalization, while the latter part focuses on Australia's major bilateral and multilateral trade relationships in the Asian region. It is expected that on completing this course students will have acquired a basic understanding of the trade issues involved in Australia's relations with the Asia.

Learning Outcomes

On completion of this subject students should

1. demonstrate some of the essential conceptual tools to analyse trade and trade issues between Asian region and Australia;
2. obtain the ability to understand key Economic, political, and strategic issues that confront Asia’s trade relations with Australia;
3. demonstrate understanding of background and context to analyse Asia-Australia trade relations;
4. demonstrate ability to write an academic essay incorporating a conceptual framework supported by empirical evidence.

Assessment Activities

Participation in Class Discussion	20%
Individual Assignment	40%
Group Project Presentation	40%
TOTAL	<u>100%</u>

Grading Scale

Number grade	Letter grade	GPA
90-100	A	4.0
85-89	A-	3.7
80-84	B+	3.3
75-79	B	3.0
70-74	B-	2.7
67-69	C+	2.3
65-66	C	2.0
62-64	C-	1.7
60-61	D	1.0
≤59	F (Failure)	0

Course Delivery

The method of instruction includes class discussions, video of You-tube, articles from journals and websites, case study problems, individual assignments as well as group project presentations.

Assessment Activities

1. Participation in Discussion (20%)

High frequency of participation in problem discussions during class would help students understand the course materials and class lectures as well as increasing students' interests on the course.

2. Individual assignment (40%)

Each student is required to submit an individual assignment based on research relevant to Australia Trade Issues with an Asian particular country/countries or particular issues related to Australia Trade/Economy. Evidence of details of statistics in appendix and listed reference are required to support the arguments and conclusion. The due date of individual assignment will be decided on the first day of the course. Late submission will cause 50% marks deduction. Academic Dishonesty and cheating will not be tolerated, and may result in a failing grade for the course. The expected workload for individual assignment may take 5 to 10 hours.

3. Group Project Report & Presentation (40%)

A group project report and presentation are required to be presented by each group at the end of the course. Each group is between 4 to 6 members to present a research topic on Australia Trade Issues with an Asian particular country or particular issues related to Australia economy. The total marks are divided into two parts: 50% for the group report and the remaining 50% marks are assigned to their group presentation. The time allowed for the presentation is not more than 45 minutes for each group. The sequence of the presentation day will be decided by lucky draw among groups. The expected workload for group project report per group may take 10 to 20 hours.
